Provincial Achievement Test Summary Report

October 20, 2018

The charts, beginning on page 2, report Crestwood School student achievement on Provincial Achievement Tests. Individual subjects are provided in historical detail on the pages that follow. Some considerations:

Grade 6 English Language Arts & Social Studies are areas of strength for Crestwood students:

- Crestwood School had a higher percentage of students achieving the Acceptable Standard on the Grade 6 Language Arts Exam as compared to the province in 2018 and the three-year average. The same type of results describes the Social Studies exam.

Crestwood School Participation Rate:

- The participation rate for Crestwood School grade six students is higher on each exam when compared to both the Provincial and Division averages.

Growth Over One-Year:

- Crestwood students performed better in the one-year time frame in ELA 6, Math 6, Social Studies 6 and Science 6. This improvement applies to the percentage of students achieving both the acceptable standard and standard of excellence.

Crestwood School performance in relation to the Standard of Excellence on the Math 6 exam:

- Crestwood school is below the province in 2018 for students achieving the standard of excellence in 2018 (-5.9), as well as when compared to the 3-year average (-6.2).
- Crestwood School continues to dedicate additional resources to support student learning in this area. Collaborative Response Model conversations, allocated time to math support, and a math mindset recognition program have been implemented to promote student growth with numeracy understanding.

Overall Provincial Achievement Test results

- We will continue to strive to improve results at the standard of excellence for all of our students, in all subject areas. The Collaborative Response Model at Crestwood School facilitates conversations to promote student achievement from the acceptable standard to the standard of excellence.
